

Year 1 & 2 Homework - Autumn Half Term 2023

Dear Parents,

Topic:

During this half term, as part of our topic, we have been talking about things we like to do at home and in school, ways of getting to school, toys and objects we use and comparing old and new toys, household objects, school equipment and transport. In groups the children have been discussing different questions they would like to ask their parents and grandparents about what it was like when they were children. During the half term break can the children please discuss and ask the questions to you and their grandparents as part of their research. The questions that were generated in their groups are attached. They might also think of additional questions to ask. Children can choose how they want to record their research so that they can share the information with the class after half term.

Reading/Phonics/Key Words:

Please continue to practice daily the words/sounds/ spellings sent home with your child and read daily with or to your child. Please see the 'Year 1 and 2 Reading Letter' on the Apple Class homework page for information and ideas.

Please remember to return reading books and diaries each Monday.

Maths:

Your child has an account on 'Mathletics' (www.mathletics.com/uk/) Login details are attached. They have access to a number of different maths activities, and they can also play maths based games on the website.

Thank you for your support in completing these activities,

Mrs Sully
