

ASH CLASS HOMEWORK GRID SUMMER TERM

MUST DO'S	EXTRA - HEALTH & WELLBEING
<ul style="list-style-type: none"> • Daily practice of tables already learnt • Learn and practise 2x, 3x, 4x, 5x and 10x tables (year 3) • Learn and practise 4x, 6x, 8x, 7x and 9x tables (year 4) • Read every day with an adult • Share books for pleasure with adults at home every day 	<ul style="list-style-type: none"> • It is very important that you are safe when you are outside in the sunny weather. Speak to an adult at home and create a Sun Safety poster to display in school • In school, we ask you to bring in a reusable bottle in every day. Why do you think we do this?
EXTRA - SCIENCE & TECHNOLOGY	EXTRA - HUMANITEIS
<ul style="list-style-type: none"> • 3-minute challenge – write down as many things you can think of in your home that need electricity to work. How do you know they need electricity to work? • With a partner, list all the different sources of energy you can think of. Can you think of a way of sorting these sources? • Think time - can you see electricity or hear it? 	<ul style="list-style-type: none"> • Can you find out which countries produce the most solar energy? • How could we reduce the amount of electricity we use in school? Can you create a list of energy saving ideas with your friends to share with me?
EXTRA - MATHS & NUMERACY	EXTRA - CREATIVE
<ul style="list-style-type: none"> • Your turn to be a teacher! Can you create a problem for me to solve? Your problem needs to linked to our topic Renewable Energy and have at least two steps for me to solve. Good luck! 	<ul style="list-style-type: none"> • When played, which musical instruments will best show the sun rising in the sky? • Build your own windmill to add to our windmills bank outside our classroom • Use a shoebox to design and build a model of a home that uses renewable energy sources

The above homework activities link to our term topic and science work. If you complete any of the EXTRA activities, we would love to see your work in school. You could take a photo, make a video or bring your work into school to show the rest of the class. For each EXTRA activity you complete you will earn a gold star.
