## Easter Holiday Talk Homework

Over the Easter holidays, we would like the children to think of a topic that they could talk to the rest of the class about in the first couple of weeks back. Their talk can be about any subject that interests them, that they will know enough about to talk at length e.g. a hobby, favourite sport, best friend, a holiday, what I did in the holidays or anything else that interests your child.

Your child can bring in photos or objects to prompt their talk such as small objects, pictures, photographs, brochures, badges, certificates etc. All these objects will then provide prompts for your child's talk, so that no written sheets need be involved, as this often stops the flow.

The talk needs to be a few minutes long and quite informal. It will take place with their friends in class and will be in a very relaxed atmosphere. It would be lovely if your child could practise over the Easter holidays so they are confident and clear with what they would like to say and ready to share their talk with their friends. We will start listening to the talks in the first week back after Easter.

Thank you for your support,  
Dosbarth Willow and Dosbarth Afal (Foundation Phase staff)
