

# Timeline of Your Life

Below are images of key events that you have experienced in your life.  
Cut and paste them onto the timeline in the correct order.

The image shows a horizontal timeline consisting of a central pink line with eight vertical tick marks extending both upwards and downwards. Above the line, there are four empty rectangular boxes, and below the line, there are four empty rectangular boxes, for a total of eight boxes available for pasting key life events.

# Timeline of Your Life

walking for the first time

talking for the first time

being born

first day of school

learning to read

learning to write

learning to cycle a bike

learning to crawl

# Timeline of Your Life

---

Below is a timeline template. Fill it out with key features that you have experienced in your life so far, such as being born, walking for the first time, talking for the first time, first day of school and any other significant events. Try to put a year into each box, to match when the event happened.

The timeline template consists of a central horizontal orange line. There are eight vertical orange tick marks along this line, four pointing upwards and four pointing downwards. Each tick mark is connected to a rectangular orange box. The four boxes pointing upwards are located at the top of the page, and the four boxes pointing downwards are located at the bottom of the page. All boxes are empty, intended for the user to write in key life events and their corresponding years.

# Timeline of Your Life

Below is a timeline template. Fill it out with key features that you have experienced in your life so far, such as being born, walking for the first time, talking for the first time, first day of school and any other significant events. Try to put a year into each box, to match when the event happened.

The timeline template consists of a central horizontal green line with vertical tick marks extending upwards and downwards. On the left side, there are five boxes, each connected to a tick mark. On the right side, there are four boxes, each connected to a tick mark. Below each box are several horizontal lines for writing.
