### Homework - 11<sup>th</sup> November 2022

Dear Parents,

Thank you for all who completed the optional extra half term homework. The children have enjoyed sharing with the class the information they found.

Please continue with the regular reading/phonics/spelling homework, as detailed below. There are also some Mathletics activities to complete.

#### Topic

As we continue to think about ourselves this half term, we would appreciate it if your child could create a timeline of key events in their life and return to school 2<sup>nd</sup> December. They can choose how to represent this information; there are some ideas that you can download and use on the website.

Here are some ideas of information they might like to include:

- When they were born
- When they started to crawl/walk/talk
- Time when younger brothers/sisters were born
- First day at nursery/school
- Learning to ride a bike/swim/dance ...
- Learning to read/write
- Grew/Lost first tooth
- When they were Christened
- Key family events

#### Reading/Phonics/Key Words:

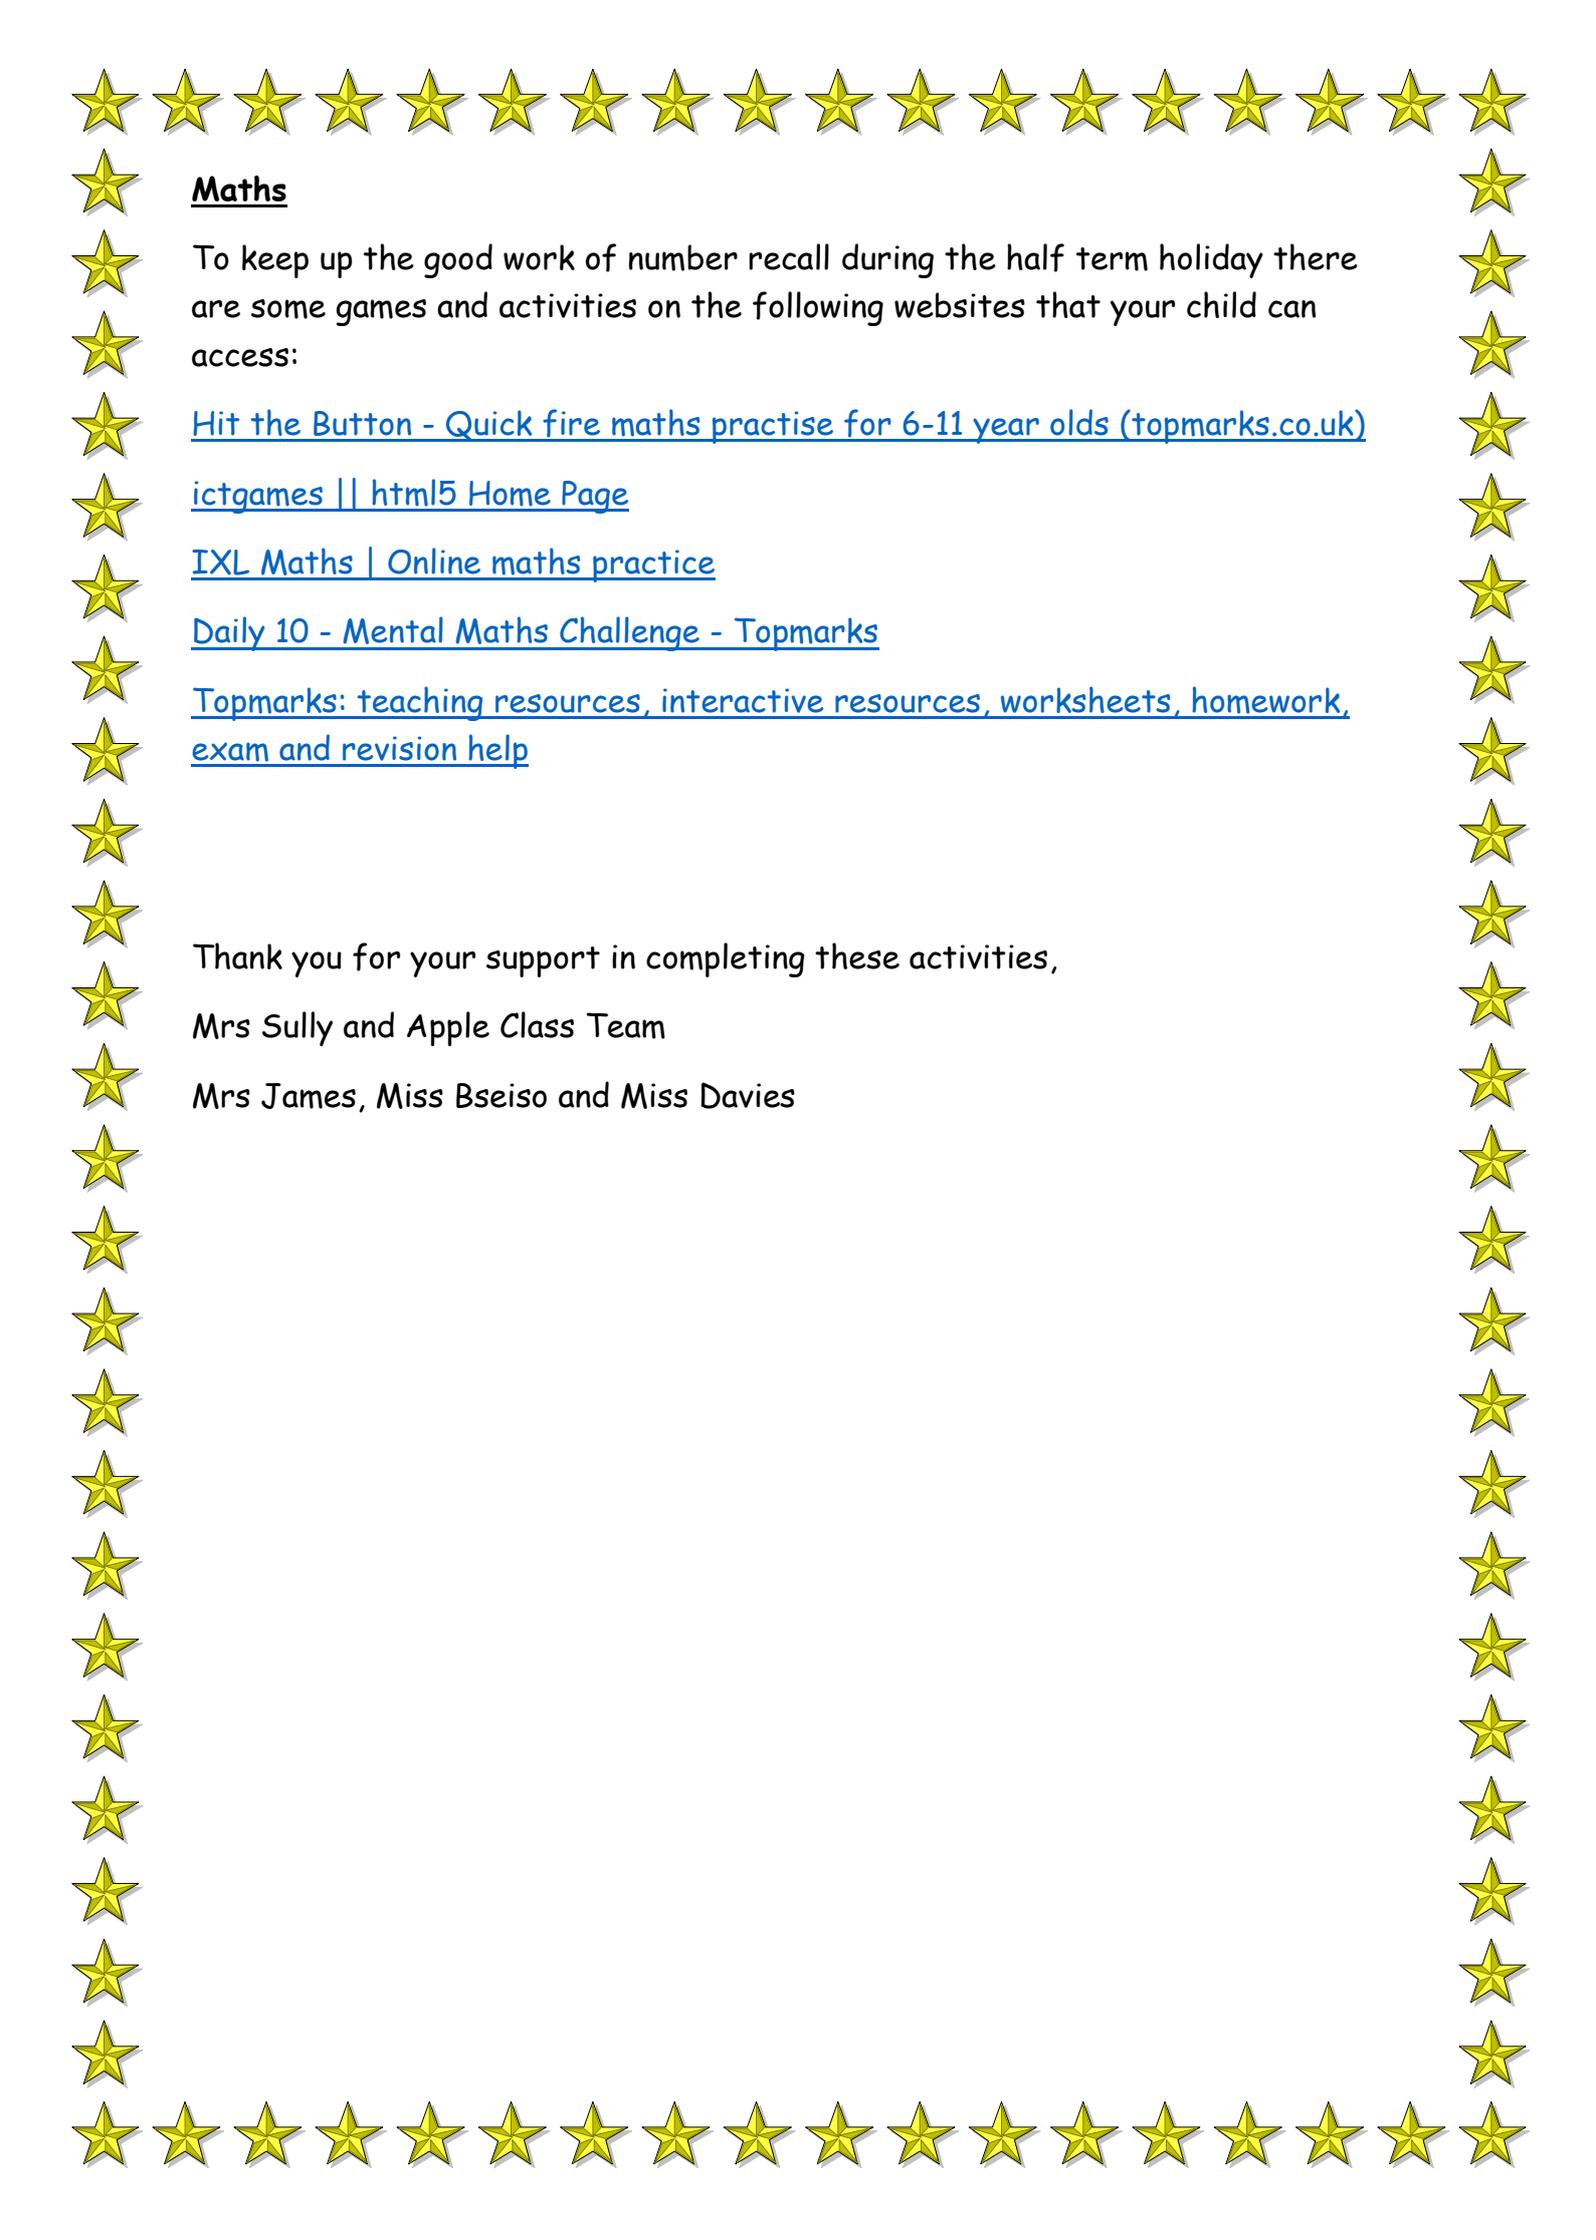

Please continue to practice daily the words/sounds sent home with your child and read daily with or to your child. Please see the 'Year 1 and 2 Reading Letter' for information and ideas. Please return reading books and diaries on Monday 7<sup>th</sup> November.
