

Homework Routines

All homework will be set via *Google Classroom (GC)* this year. Each pupil in class has logged onto their Hwb account this week and have been able to access *GC* independently. They therefore should be able to do this at home. In case pupils have mislaid their log-ins from last year they have been issued with new copies. Please ensure that these are kept in a safe place and are easily accessible to your child.

GC can be accessed via PCs, laptops, smart phones and the majority of gaming consoles e.g. PS4 etc. If your child is unable to access *GC* at home, please consider signing your child up to the homework club at school. Ideally though homework will be completed at home.

Homework will be set on a Friday and should be returned (via *GC*) no later than the following Wednesday. To return work simply press 'mark as done' and add a comment if required. Work handed in by the Wednesday will receive a teacher comment. Work handed in late will not be commented upon. TTRockstars and Mathletics will provide instant feedback on work completed. I will be looking at the data provided to me e.g. the children who have completed the tasks set, scores etc. on a weekly basis.

If you have any queries about homework please do not hesitate to contact me via Mrs Matthews in the school office.

Thank you for your continued help and support,

Mrs. Andrew
