Homework - 5th May 2023

Dear Parents,

We have had a very busy week finding out about King Charles and preparing for our Coronation celebration day in school. For homework I would like the children to imagine what it would be like if they could be a King or Queen for the day. Here are some of the things they could think about:

- What would they do?
- What would they wear?
- What they think they would enjoy the most.
- What changes would they make?

I'd like them to make an information poster (no bigger than A4) to share with the class to include information from the above bullet points and ideas of their own. I'd also like them to include a drawing of themselves dressed as the King or Queen.

Reading/Phonics/Key Words/Spelling:

This week your child's books have been changed. Due to this week's bank holiday and the Inset day, they have not read them to an adult in class. They have had the opportunity to read and discuss a text linked to the Coronation with an adult as part of a group reading comprehension activity.

Please continue to read with and to your child daily and practice the words sent home.

Thank you for your support in completing these activities,

Mrs Sully and Dosbarth Afal Team
